Mr. Al DeCean,
CD Room,
Town Hall,
525 Washington St,
Wellesley,
Mass,
02180

The next meeting of the Wellesley Amateur Radio Society will be Decmmber 9th at 8 PM in the Branch Library.

Our speaker for the evening will be Mr. Henry Ingersen, PAØAFN/W1. He will discuss the use of solid state modules in constructing VHF gear. He is North American Representative for VHF Communications and Spectrum International. He will have Module hardware to display.

Al: Sorry you were removed from the mailing list, if there ever was one, but you are now on the official list and should receive all club notices in the future. Thank you for everything in the past.

Jim Crump, W1EWN
Secy.
